

JOB POSTING

Join an exceptional team and expand your career. We are looking for dedicated, hard-working employees who want to grow their career, along with the company. An Assembler-Packer is an important position in the company, they are our last line of defense before the product goes to customers. The ideal candidate will have an eye for detail, mechanical abilities, willingness to learn, and are team orientated.

Server is a company built on integrity, quality and innovation. We strive to reach effective team work, lasting client relationships, consistency in quality and employee enjoyment. We support our community by giving back. We support our employees by creating a team atmosphere, providing a safe and clean environment, and by offering competitive benefits. Server hosts company activities throughout the year to celebrate our employees. Located in a rural area off of HWY 41, we have an ideal location at our Richfield office.

We are looking for an Assembler in our pump area.
